

Nursery School Notes
December 2026

This joyful month of December brings winter, snow and the Christmas holiday! The children in the preschool are always excited and enthusiastic for this time of year and it is so refreshing. Along with the traditional, fun holiday themes we also keep the true spirit and meaning of Christmas in our classroom celebrations.

Each December we ask the children to make a birthday card for Baby Jesus with their families while they are home during the Christmas recess. They bring it back to school when they return in the New Year. Each class visits the chapel to search for Baby Jesus and give Him their cards. These are then displayed in the hallway of the Nursery School during the month of January. They always share some beautiful creations!

Our annual Christmas Make It Take It Day is on December 2nd! Students will come to school with a parent or another adult, travel from room to room to make holiday crafts at different stations, and go home with all their creations. We are so excited to invite our families to this joyous holiday tradition that we love so much!

We will also be celebrating with Christmas parties in our classrooms before our break from December 23 through January 1.

The Nursery School staff and families are very grateful for the support received from our “church home” here at Faith Lutheran, especially with the fundraisers we have had so far this year. Your donations to Curd for the Crew, Boo Bags and Winter Wonderland were greatly appreciated. This month begins our fourth annual “Holiday Bottle and Can Drive” that runs through the end of January … It is our goal to earn even more than our total of $273 last year! Please save those bottles and cans that accumulate over the holidays and consider a donation to the preschool!

We wish all of you a wonderful Christmas and a new year that brings good health and happiness to all!
